*Let us know!*

## What is STK?

### ***Reach The Lost, Revive The Redeemed.***

Seeking The Kingdom (STK) is the physical gathering of This Is Salvation Ministries. What started out as a worship night in 2019, evolved into a monthly *worship + word* gathering called STK in Mississauga, Ontario.

The purpose of STK is simple: Let's meet up, hear from the word of God, focus our hearts on the Lord and grow together deeper. Ultimately we are here to develop a life where Christ is number one in our lives. Our crowd comes from various different churches & denominations. We are all here for one reason... more of Christ!

\*We are not a church. We affirm & encourage the gathering of the local church. Everything we do here at STK aims to compliment and encourage the local church to be passionate in their walk with Christ.

## What do we do?

We meet up once a month on Saturday evenings (for now) to gather in a worship service style format. In this service we worship and hear a message from the Word of God. We then leave the service open to move of the Holy Spirit as He allows. Our goal is to awaken the hearts of long time church-goers that have missed the ultimate point of the faith; living for Christ.

Our goal is to Reach The Lost & Revive The Saved. Our main focus is to evangelize the institutional church goers that have been complacently attending church without true conversion.

Apart from our worship gatherings, we take part in other outreach events as the opportunities become available. We create Christian YouTube video content, record music, offer biblical counselling, carryout evangelism efforts & more.

## Do you feel called to ministry?

We are looking for passionate, focused, dedicated followers of Christ to come be apart of this movement here at STK. There are many opportunities to lead and serve. If you feel called to serve in ministry, this is a good opportunity to get your feet wet and learn about what goes on in ministry. All our positions are volunteer-based and require dedication + commitment. If you feel called to serve, we would love to hear from you.
